

# APRIL MINUTES

## REGIONAL HAZARD MITIGATION STEERING COMMITTEE MEETING

**Tuesday, April 15th, 2014 1:00 PM – 3:00 PM**

**Location:** KCOEM, Breakout Room, 116

### **Attendance:**

Mike Ryan (Zone 1), Bob Freitag (UW), Craig Hurley (Covington Water), Jim Tritten (Valley Medical), Troy Lester (KCDNRP), Barnaby Dow (KCOEM), Lynne Miller (KCOEM), Janice Rahman (KCOEM), Nora Jagielo (KCOEM), Kristen Gelino (Tetra Tech), Rob Flaner (Tetra Tech)

### **Volume I Internal Review Draft:**

- Volume I of the plan includes information on the planning process, the risk assessment, and the mitigation strategy.
- Volume II of the plan includes the jurisdiction-specific annexes. Volume II is currently undergoing technical review by Tetra Tech. The jurisdiction-specific annexes will be given back to their respective owners for final approval before the plan enters the public comment period.
- There was a recent addition to the landslide chapter in the plan addressing the Oso landslide event.

### **Public Outreach Strategy**

- The RHMP will undergo a public comment period beginning in the end of June.
- The comment period will be initiated by a press release.
- The public will be able to view the plan online on the King County Emergency Management website.
- Comments can be made by emailing [kcpubcomment@kingcounty.gov](mailto:kcpubcomment@kingcounty.gov) and also by attending one of three public meetings (dates and locations to be announced).

### **What's Next?**

- Public comment period
- Plan adoption and approval

### **Summary and Closure:**

Meeting adjourned at 2:30 pm.
